Why should kids do yoga?

- It helps them to relax.
- It helps them to concentrate and focus.
- Yoga helps foster creativity and self-expression.
- Yoga classes help children positively deal with stress and self-esteem issues.
- Yoga helps with flexibility and strength.
- Yoga helps children understand body awareness and how to live a healthy lifestyle.
- Yoga promotes cooperation and trust.

There is no competition in yoga. It is a fun way to stay healthy and active!
